NATIONAL HEART HEALTH MONTH

February is National Heart Health Month. South Middle School will be participating in a fundraiser in support of the American Heart Association. Help save a life and support your child as they begin collecting donations. Students can gain donations by going door to door with a parent, sending it to work with parents or by registering online. This online collection is very successful and is much safer and warmer than by going door to door. Collecting begins February 13—17, 2012. Envelopes are due back to Mrs. Jones.
